

## Anglophone Section Summer Reading 2019 - Preparation for 4ème

Please read at least two books this summer (one fiction and one non-fiction, if possible) and find a passage/quote that stands out to you. You can choose the passage for whatever reason you like; maybe the passage is very descriptive, it is an interesting thought/idea, you learn something from it...etc. Bring a book and passages (highlighted, bookmarked, post-it notes...) to the first day back after summer. We will be doing activities in class around the books you've read over the summer. Please make a note of all the books you read and discover books others have enjoyed here: <https://goo.gl/hLBxQH>
