HG Programme

- The programme taught by the Anglophone Section follows the division of the French national programme made by our French colleagues as well as developing pedagogical aims (skills, methods) proposed by the British National Curriculum.
- The programme of study is designed to develop the students' thinking as geographers and historians as well as encouraging them to become independent learners.
- In addition to the subject related skills and content the programme supports the students' use and development of their communication, research, IT, and inter-personal skills
- The teachers work in close co-operation to ensure that all students receive the same programme input and periodic assessment.

History

The programme studies developments in Europe and the impact of European civilisation on the World in the period from the beginning of the 1300s to the 1800s.

The main themes which will be studied are:

- Medieval Religion/Humanism/ Age of Discovery, Conquest & Colonisation
- The characteristics, causes and consequences of the Renaissance, Reformation and European Colonialism
- Historical change (cause/ sequence /consequence/ complexity/ inter- relationship) in political power; religion ; industry ; technology; human rights ; territorial division; art
- The impact of historical change on society
- The role of individuals in history
- Injustice/ inequality
- Historical interpretation and bias
- Empathy with the lives of different groups of people at different points of time

Geography

The programme studies specific geographical themes in a global context.

- demography and development,
- urbanisation,
- industrial systems,
- environmental change,
- water issues

The main themes which will be studied are:

- The concept of place and region (uniqueness, specificity, similarity).
- The relationship between human activities and the natural environment
- Unity and diversity
- The description, measurement and representation of spatial organisation
- Environmental problems/ Sustainable Development
- Independence/ dependence/ inter-relationship
- Geographical enquiry/ problem solving/ decision- making process
- The inter-relationship between geography with other social sciences
- Geographical process: cause/ consequence

University Counselling

The section offers a university counselling service to provide students and parents with information about and help with applications to higher education establishments outside France.

This service will start at the end of 2e with a presentation of Higher Education at the 2e orientation meeting.

However, if parents wish to have advice earlier they are invited to contact:

- North America/Canada: Kat Weinert
- UK: Anna Coghlan & Francesca Doggart
- France: Alan Geary
- The rest of the world: Julie Mortimer
