

CM1 Anglo information

Dear Parents,

Due to the current COVID-19 situation we are facing we have decided to start putting things into place in case the school has to close. This will enable us to ensure our wonderful students can continue their learning and keep them engaged, occupied and motivated if they are not able to come to school.

For our CM1 students, we have prepared work around our current topic: the Titanic. If the school is closed, all of the tasks and necessary information will be provided via Google classroom. Here is a link to help you access Google classroom:

<https://support.google.com/edu/classroom/answer/6072460?co=GENIE.Platform%3DDesktop&hl=en>

Our students have their email addresses and log in details stuck in their Cahier de liaison. Our Google classroom code is: **gdqgwqr**

Ms Higgs' class was given a fantastic demo of Google classroom today, however, due to some technical issues, my class were not so lucky! I will go through it with them tomorrow. In the meantime, if they would like to try at home that would be great.

In addition to this, our new class book will be Kensuke's Kingdom, by Michael Morpurgo and there will be tasks uploaded to Google Classroom that the students will need to complete. All students were given a copy of this book today for them to take home with them.

Our students should aim to complete 6 hours of English work a week. I have already had some students requesting to do more, of course we are fine with that!

In addition to the tasks set online, students should also be reading everyday, completing tasks on EducationCity and learning their spellings.

Online learning is a very new concept for both us and our students, so we thank you all in advance for your patience, understanding and support.

Kindest regards,

Eve Bellanca and Ceilidh Higgs
