

Dear parents,

We will be holding a pre-holiday zoom next Friday at 3pm to wish each other a happy break:

Zoom info sent by personal email

Seesaw:

Today we posted a video for the students, to help them navigate their way around Seesaw once they log in. Here are the main points of the video:

- When you first log in, check your notifications (this is where you'll be informed if a teacher has sent any work back).
- Once you have responded to teacher feedback, check your activities tab for any new activities.
- Do the 'Tasks' first, and the Poem of The Day and Bonus Tasks only when you have completed tasks and responded to teacher feedback comments.

We would appreciate it if you could remind our students to read through all their notifications and respond to teacher feedback as much of their learning happens in this second editing phase.

Reminder:

If you haven't responded to the email sent by kfullerton@csianglo.org about Seesaw Consent that was sent on Wednesday 8th April, please could you do so before next week, thank you!

All important information that has been sent home to parents can be found on the school website: <https://csianglo.org/>

Some resources for families during this time can be found [here](#).

Wishing you all an enjoyable (extra long) weekend!
