

Dear Parents,

We hope the first week of confinement has gone as well as can be expected. We know this is a very strange and surreal situation that we are all facing.

We are familiarising ourselves with Seesaw and it is very much trial and error as we try to ensure a realistic work balance for our CE2 pupils.

We are aware that this is a very stressful time for families as you all try and juggle family life and work/school commitments. We will post work / tasks on Seesaw to make the equivalent of 6 hours a week. However, we do not want parents or children to feel pressured by the workload so after that time is up, we suggest leaving a task unfinished. Our students can message us via the journal to explain. As we know that screen time is an issue, many of the tasks we set can be completed in their yellow books and added as a photo. We are responding to all of the children's work. This means that we will sometimes send work back with a comment that needs to be taken on board; please remind your children that they need to amend their work accordingly then resubmit it to us for our final approval. Please email us back if you do not wish your child to appear in photographs, videos or recordings.

Please feel free to email us if you have any concerns whatsoever.

All emails and important information that have been sent home to parents can be found on the school website: <https://csianglo.org/>

Some resources for families during this time can be found [here](#).

Sending lots of patience and strength from our homes to yours,

Mrs Joannes and Miss Fullerton
