

Dear Parents,

We hope you and your families are continuing to stay well and safe.

We have been really impressed with most of our students' maturity and independence in managing their work this week. We now have many pupils using the weekly timetable (attached below) to help them organise their time and make the most of their learning opportunities.

We would also like to thank you for helping your children to access and make the most of their assignments, despite your own professional and family pressures. We try to create activities and provide support materials so that the children work independently, but appreciate that they require your help from time to time.

All emails and important information that have been sent home to parents can be found on the school website: <https://csianglo.org/>

Some resources for families during this time can be found [here](#).

Please do not hesitate to get in touch if you have any further questions or you need any additional information.

Kindest regards,

Ceilidh Higgs and Eve Bellanca
