

Dear Parents,

We hope you and your families are well and are beginning to settle into some sort of routine.

All the CM1s are now beginning to become familiar with Google Meets and are attending the scheduled sessions. Some students still experience some difficulties when logging in, here is a help sheet with some guidance: [How to access Google Meets](#)

Most of our students are now on track with their independent work. We are making individual contact with those who are finding this difficult to see how we can help. We have attached a copy of next week's timetable to this email for your reference. (*attachments have been sent in an individual email*)

This is an additional extra and is not compulsory: To give our students access to thousands of free books online, we have set up our class account on Epic. Please follow the link to the instructions to get on to Epic:

Miss Higgs' Class

Miss Bellanca's Class

All emails and important information that have been sent home to parents can be found on the school website: <https://csianglo.org/>

Some resources for families during this time can be found [here](#).

Please do not hesitate to get in touch if you have any further questions or if you need any additional information.

Kindest regards,

Eve Bellanca and Ceilidh Higgs
