

Dear Parents,

We hope you and your families are keeping well.

The CM2s have been hard at work since the get-go, so we gave them a breather in their afternoon lesson this week. They had a chance to catch up on any late work and respond to our marking on finished tasks, while we were on hand via Meet to cajole and advise them. Most of them now are completely up to date; thank you to those parents who did a little prompting. Please remind your children that they can always ask us for help via email. They should also email us in advance if they think they will be late with a piece of work; we can then negotiate a new deadline together.

You will have received an email invitation for your child to join our class on Epic. We will be suggesting some optional reads on this platform from time to time, so please do sign up.

Have a good - hopefully screen-free! - weekend.

Kind regards,

Sarah Joannès and Ceilidh Higgs
